Chair's report:

OLD BUSINESS:

Eight of the nine panels that were submitted for the 2020 conference were accepted. Two proposed panels were combined resulting in seven panel discussions and a Business Meeting were planned for the 2020 conference. Of course that conference was canceled due to the COVID-19 travel restrictions. I can still access those and would gladly share any submission with individuals connected with those submissions should you want to revise them for another conference. Please let me know and give me a bit of time so I can efficiently process the requests.

Chicago **would have been** a fun conference so I am certainly missing it. David **imagined** a wonderful time including Chicago Style Pizza, Sushi and a Pub crawl. Tickets to the Blackhawks might even have been available.

NEW BUSINESS:

The Executive leadership of the CCIG has prepared a partial slate.

- Chair David Bodary will become Past Chair.
- Chair-elect Julie Simanski has accepted the Chair position for the 2021 conference and
- Secretary, Shweta Arpit Srivastava has agreed to serve again at the will of the members.

The role of Vice Chair is open and we would like to invite nominations. The process would involve members nominating a person (self-nominations are acceptable). It is important to understand that the Vice Chair is a three year assignment with the following obligations:

1. First year that of Chair-elect and supports the chair,
2. Second year serving as the Chair and conducts program planning and leads the business meeting
3. Third year serving as Past Chair who serves as the parliamentarian at all business meetings and Executive Committee meetings of the Interest Group

Would anyone like to nominate or self-nominate? Email me your interest: David.Bodary@Sinclair.edu

The role of secretary is also open should anyone be interested, although we have one person willing to run we can invite a competitive process.

Nominations for Chair-elect and Secretary will be accepted until *April 22nd at 11:59 pm EST*. On April 23rd I will ask for a motion to close the nominations, as well as a second to the motion (both may be sent to me individually).
